Boundary Walls or Gates		Outbuildings	

Historical Context:

Important survival which pre-dates the military camp. Possibly dating from c1790 and similar to other bridge crossings in adjacent boroughs, most notably Basingstoke and Deane.

The entire length of the Basingstoke Canal is designated as a conservation area. This structure makes a positive contribution towards the character and appearance of the conservation area.

This building is included on the List of Buildings of Local Significance due to its high evidential and historic values.

Ownership Type (please tick the appropriate box below):

Private		Local Authority	+
Religious / Charity		Stat Undertakers	
Company		Crown	

Photographs

Date Taken: 04/08/10

Any Further Comments:

Historic movement, cracking and spalling.
