<b>Date Locally Listed:</b>	26 <sup>th</sup> March 2012	<b>Conservation Area:</b>	Yes: <input type="checkbox"/> No: + <input type="checkbox"/>
<p>Barn (built and used as a garage and store). 1947 moved to present site in 1995. 6 bays. Timber-frame on a red brick plinth in Flemish bond, weatherboarded with hipped shingle roof. Principal trusses have straight raking struts and collars with a single set of back purlins. There is an unusual arrangement of straight arch braces which continue to past the tie beam to join at the point where the collar and raking strut meet the principal rafter. Hinged double ledge and braced plank doors to gable, sliding timber doors to side elevation.</p> <p><b>Condition Survey: 1 - 5</b></p> <p style="text-align: center;"> <input type="radio"/> 1 Very Bad                <input type="radio"/> 2 Poor                <input type="radio"/> 3 Fair                <input type="radio"/> 4 Good                <input type="radio"/> 5 Excellent         </p>

Historical Context:

This building once stood in the grounds of Field Marshal Montgomery's home at Isington near Alton. It was built for him in 1947 to house his war time caravans and was moved to the museum in 1995 and houses some of the museum's collection of larger exhibits including field guns and other vehicles.
