Windows	3		
Doors and Surroundings	3		
Lintels	4		
Other Features			

Historical Context:

The building was built in 1901 as the Christ Church of the Reformed Episcopal Church of England. In 1941 the building was brought by a local businessman Charles J Harland and was used as the Aldershot headquarters for the boy scouts and girl guides association. Today it is the used as a Mosque and Welfare Association.

Criteria submitted:

B. The building or structure dates from between 1840 and 1914 and has a definite quality and character

G. The building or structure is an example of identifiable building traditions, techniques and materials that are part of the local architectural style
