NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Section P.

THE STEPS WE INTEND TO TAKE TO PROMOTE THE FOUR LICENSING OBJECTIVES

A. General - All Four Licensing Objectives

The store is a franchise of the worldwide Domino's home delivery pizza chain. Domino's has been in business for more than 40 years and during that time, has developed a system of business which primarily involves a home delivery services. Whilst it is possible to collect our products from the store, the vast majority of our business is delivering pizzas and other products we sell, to people's homes. We are governed by the rigorous standards set out in the Domino's Franchise Agreement and these relate to all aspects of operating the business, from the preparation of ingredients right through to the manner in which the product is delivered to our customers. We are mindful of our obligations to our staff, our customers, and others (e.g. local residents) who may be affected by the operation of our business. Our store is adequately staffed so as to allow the proper management of the premises and supervision of those who visit them. The Domino's system does not allow the sale of alcohol. Where customers visit the store, our pizzas are supplied to them in closed cardboard boxes and the nature and size of the product is conducive to being taken home for consumption, rather than being eaten whilst walking along.

B. The Prevention of Crime and Disorder

We will actively co-operate with the local police to ensure that we are made aware of particular problems which affect the area and which may potentially affect our store.

We will not countenance the use or supply of illegal drugs and our staff will inform the police immediately of any such suspected activity on or in the vicinity of the store.

Our employment policies are designed to ensure we recruit professional and reputable staff.

We do not use or supply glassware.

C. Public Safety

The premises comply with all requisite health and safety legislation.

We carry out regular health and safety risk assessments and are required to do so under the terms of our Franchise Agreement.

In the most unlikely event that a greater number of people congregate in the premises than is conducive to public safety, we will not hesitate to ask people to leave the store and we will always encourage them to

take advantage of our home delivery service, which is the primary way in which we serve our customers.

D. The Prevention of Public Nuisance

Our doors and windows will be kept closed at night to prevent transmission of noise.

Our stores have very few customers who visit to buy our product to take away, but those who do visit will be asked to leave the premises quietly and with due consideration for our neighbours.

Music will not be played in the premises.

Our delivery drivers are instructed to enter and leave their vehicles quietly and considerately, not to leave engines running, to park considerately, and at all times to have in mind our neighbours (particularly residential occupiers).

We would have no hesitation in banning people who visit the store and regularly leave the premises in a noisy fashion.

Our equipment is properly sound insulated and operated strictly in accordance with manufacturers' requirements, guide lines and tolerances.

All our air extraction system complies with Building Regulations requirements and is designed to ensure that there is no escape of cooking smells to neighbouring premises.

We neither use nor supply glassware.

E. The Protection of Children from Harm

Our store is not licensed for the sale of alcohol.

Because of the nature of the licence for which we are applying and the nature of our business generally, it is most unlikely that a child unaccompanied by an adult would visit our store during the hours for which we are licensed.
