### **LICENSING OBJECTIVES**

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The premises will operate as a small cafe with alcohol sales ancillary to food. Due to the limited size of the premises and seating capacity of four, the operation is low risk and will be managed at all times.

b) The prevention of crime and disorder

Alcohol sales will be supervised at all times. A Challenge 25 policy will be operated. I will refuse service to intoxicated persons and where appropriate will record refusals.

c) Public safety

The premises has a very limited capacity and will not be overcrowded. Clear access and egress will be maintained and customers will be monitored to ensure safe and responsible consumption.

d) The prevention of public nuisance

Off sales will be in sealed containers only. Customers will not be permitted to consume alcohol immediately outside the premises. The business will operate during business hours and is not expected to cause a disturbance. Recorded music will be played at a low background volume and will not cause disturbance to neighbouring premises or the public.

e) The protection of children from harm

The council will operate primarily as a cafe and is open to children. Alcohol will not be sold to persons under the age of 18. A Challenge 25 policy will be enforced at all times for alcohol sales. Alcohol will be clearly separated in the fridge and customers will be required to pay at the counter where age checks will be carried out before any alcohol sale is completed. Staff will monitor the premises and will intervene if any underage persons attempt to purchase alcohol.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

**Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
