Dear Sir or Madam,

TOWN & COUNTRY PLANNING ACT 1990 TOWN & COUNTRY PLANNING (TREES) REGULATIONS 1999

**Re: Revocation Orders (TPOs) No. 181 & HDC 172 and replacement Tree Preservation Order No. 409, Trees within the grounds of Coriander Close, Tarragon Close and Marjoram Close, Farnborough, Hampshire. 2005.
Rushmoor Borough Council**

The Government has advised all Councils to review their older Tree Preservation Orders (TPOs) and in particular those that include trees protected by Area designation. This is because significant changes may have occurred in the years since the original TPO was served and so the TPO is likely to now be out of date. In most cases the process is best served by Revoking (removing) the old Order and replacing it with a new up to date Tree Preservation Order. As an affected party with protected trees on or adjoining your land, I am writing to let you know that following a recent tree survey, we have decided that TPO Nos. 181 and HDC 172 should be revoked because they no longer adequately reflect the current situation in respect of trees protected by this order and those having grown up since.

THIS IS A FORMAL NOTICE

1. that on 19th December 2005 the Council revoked Tree Preservation Order Nos 181 and HDC 172. A copy of the Revocation Orders along with the maps of the old orders are enclosed.
2. and that on 19th December 2005 the Council made a replacement Tree Preservation Order No. 409. (The law requires TPOs to be served on the land on which the tree is situated and any land adjoining thereto).

A copy of the new Tree Preservation order is enclosed. In simple terms, it prohibits anyone from cutting down, topping or lopping any trees described in the First Schedule and shown on the map without the Council's consent.

Some explanatory guidance on tree preservation orders is given in the enclosed leaflet *Protected Trees: A Guide to Tree Preservation Orders*, produced by the Office of the Deputy Prime Minister.

The Order was considered necessary to give the Council the opportunity to offer guidance should any work ever be required to these visually prominent trees.

The order took effect, on a provisional basis on 19th December 2005. It will continue in force on this basis for a further 6 months or until the order is confirmed by the council, whichever first occurs.

The Council will now consider whether the order should be confirmed, that is to say, whether it should take effect formally. Before this decision is made, the people affected by the order have the right to make objections or other representations about any of the trees, groups of trees or woodlands covered by the order.

If you would like to make any objections or other comments in respect of the new Tree Preservation Order, please make sure we receive them in writing by **3rd February 2006**. Your comments must comply with regulation 4 of the Town & Country Planning (Trees) Regulations 1999, a copy of which is provided at the end of this notice. Please send your comments to the Conservation Section at the Council Offices. All valid objections and representations are carefully considered before a decision on whether to confirm the order is made.

The Council will write to you again when a decision has been made. In the meantime, if you would like any further information or have any questions about this letter, please do not hesitate to contact me on 01252 398 737.

Yours sincerely

Rushmoor Borough Council**

THIS IS A FORMAL NOTICE to remind you that on 12th December 2005 the Council made the above tree preservation order, and sent you a copy.

The Council, in deciding whether or not the order should be confirmed (or, in other words, made permanent), has considered two representations and corrected two typographical errors. On 8th June 2006 the Council decided **to confirm the order subject to modification**: The group of trees G3 is now correctly specified in Schedule 1 as Oak x 18 adjacent 2 Broadhurst & 6-10 Tarragon Close.

A copy of the modified order TPO 409A is enclosed. In simpler terms, it prohibits anyone from cutting down, topping or lopping any remaining trees described in the First Schedule and shown on the map of the modified order, without the Council's consent.

Some explanatory guidance on tree preservation orders is given in the previously sent leaflet, *Protected Trees: A Guide to Tree Preservation Orders*, produced by the Office of the Deputy Prime Minister.

If you disagree with our decision you can challenge it by applying to the High Court under sections 284 and 288 of the Town and Country Planning Act 1990. You can apply to the High Court if you believe:
